HOLE CUTTERS

The hole cutters are primarily made of aluminum alloy, making them durable and strong but light. They each come with either scalloped or straight blade.

Lever Style Hole Cutter

Scalloped [No. 222] Straight [No. 223]
Easy to use lever for a quick hole extraction.

Lever Style Hole Cutter

Straight [No. 224] Scalloped [No. 225]
A classic hole cutter with shoe platforms on either side and a fixated handle.

Wider hole cutter that cuts a 6" wide hole. Perfect for the Temporary Cup No. 256

Wide Hole Cutter [No. 219]

A hole cutter for 6" wide temporary cup for special events.

REPLACEMENT BLADES

Heat treated cutting blades ensure a clean cut hole. Available as scalloped and straight blade with an inside edge (for sandy and USGA soil) or an outside edge (for push-up greens and native soil).

1. Inside Edge Scalloped Blade [No. 220-IN]
2. Outside Edge Scalloped Blade [No. 220-OUT]

3. Inside Edge Straight Blade [No. 221-IN]
4. Outside Edge Straight Blade [No. 221-OUT]

HOLE CUTTER ACCESSORIES

5. Hole Cutter Flanged Stop [No. 217PL]
Adjustable flanged stop ensures proper hole depth every time.

6. Red Hole Cutter Guide [No. 230]
Cast aluminum and powder coated, prevents scuffs and marks on the greens by the operator.

CUP PULLERS

1. Single Prong Cup Puller [No. 210]

Powder coated white with a red rubber handle for comfort. Size: approx. 6" Works on all cups.

2. Double Prong Cup Puller [No. 206]

Made of durable aluminum; Pinch and release, then pull out the cup. Size: approx. 8" Works on all cups.

3. Three Prong Cup Puller [No. 200]

Zinc plated steel with a red rubber handle; Place, twist and pull to remove the cup. Size: approx. 24" Works only on 250AL cups.

HOLE-IN-WHITE PAINT TOOLS

4. Aluminum Paint Tool [No. TL1]

5. Cup Protector* [No. CP1]

Easy to use guide to paint the top of the hole while protecting the grass around the upper edge and the cup from the spray of the paint.

*Cup protector available in every case of Hole-In-White paint. Sold separately if required, No. CP1.

Hole-In-White Paint Applicator [No. 207]

Paint a perfect 1" depth circle above the cup while protecting the cup and grass around the hole, leaving a crisp, sharp edge.

No cup protector required.

TRIMMERS

Superior quality scissors, constructed from forged Stainless Steel. Comes complete with a dedicated plastic carry wallet. The curved design makes it easier to neaten the edges of freshly cut holes.

Curved Trimming Scissors [No. 211]

HOLE-IN-WHITE PAINT

Hole-In-White (White) [No. PT1]
Comes in a box of 12 cans (12 oz each)

Hole-in-white paint is a whitener specifically formulated to last a long time and is not harmful to the soil or turf. It makes the top of the hole bright and visible from afar, speeding up play time in the process. One spray can could yield up to 80 holes.

WHITE PLASTIC CUP RING

A white plastic cup ring makes the hole more visible and gives the same effect as hole paint without the labor and clean up. Easy to install and keeps integrity of cup when changing holes daily. This also stabilizes soil around the top of the hole which prevents erosion.

White Plastic Cup Ring [No. 251]
Individual [No. 251]
10 Pack [No. 251-10]
20 Pack [No. 251-20]

ALUMINUM CUPS

These cups are die cast oversize, then machined down to precise dimensions to minimize wobble in the hole. The aluminum cups are anodized then powder coated a bright white for best corrosion protection. Meets all USGA requirements.

Aluminum Greens Cup (4.25"x4.25")
[No. 252AL]

Aluminum Green Cup (6"x4.25")
[No. 250AL]

Temporary Aluminum Greens Cup
[No. 256]

6" deep and 6" wide temporary cup for winter and special events.

PLASTIC CUPS

Made of durable, chemical resistant polymer material and meets all USGA regulations.

Plastic Greens Cup (4.25"x4.25")
[No. 255 PL]

Plastic Greens Cup (6"x4.25")
[No. 250PL]

Plastic Cup with Bronze Insert
(6"x4.25") [No. 250PL/BZ]

Bronze bushing made of certified bearing bronze withstands abrasion and prevents sticking, extending the life of your cup.

ALUMINUM PRO-HOLE CUPS

Pro Hole Cups are designed and finished to precise measurements, resulting in a world class greens cup. Completed with locking ferrule system that ensures unnecessary premature wear of the flag pole ferrule. Blank liner is included.

Aluminum Pro Hole Cup [No. 253AL-3]

This cup is made of durable heat treated aluminum alloy. Accepts British/locking [308B] ferrule to complete locking mechanism [pg. 28/29].

CUP ACCESSORIES

Cast aluminum cup setter consistently places cups at the correct depth, minimizing damage to the rims of aluminum cups and preventing ball interference.

Aluminum Cup Setter [No. 205]

1

CUP LINERS

SpeedWrap liners are thin, flat inserts that fit only in our pro hole cups. Fully customizable with a club logo or sponsor for increased revenue. The blank and specialized cup liners are in stock and ready for immediate shipping.

[No. 253LAMER]

[No. 253LCAN]

[No. 253LPINK]

SpeedWrap Liners [No. 253]

Blank Cup Liner [No. 253L-4 or 253L-3]

Customize Your Liner [No. 253CUSTOM] (Minimum order of 20)
Sold in two versions. Please contact us for custom liners and version inquiries.

Cover the putting green holes with this easy to install and remove cover. Made of durable plastic, it withstands pressure and weight.

Green Plastic Cup Cover [No. 262]

1. Cup Sleeves [No. 259]

Cup sleeves are used in the installation of artificial putting greens. Made from PVC plastic and machined for a perfect fit! The cup will sit 1/8" above the plastic when installed.

For 6" Cup (Plastic or Aluminum)
[No. 259-6]

For 4" Cup (Plastic or Aluminum)
[No. 259-4]

Completely flexible, stain resistant plastic golf ball tender. No need to remove the ferrule. It allows the golfer to lift the ball by lifting the flag pole, reducing bending. Sold in sets of 18 or individually.

NEW! Golf Ball Tender [No. 309]

REGULATION 1/2" FIBERGLASS POLES

Our fiberglass poles are manufactured to the highest quality and appearance for excellent corrosion and weather ability. They are veil wrapped to increase lifespan and reduce splinters from fiberglass material.

- Top threaded bushing
- Color impregnated - color does not peel or fade with time
- Complete with a smooth ferrule and an acorn nut (other ferrules available)
- Suits the swivel of a grommet and tube style flags
- Ships with a sleeve on the bushing and ferrule for additional protection

REFLECTORS

Easy to screw on top of any flag stick. Made with brass bushing to avoid premature wear of the threads. Sold individually.

1. Smarty Reflector - Five Eyed [No. 304-5BK] [*WQL]
2. Smarty Reflector - Six Eyed [No. 304-6BK]

Easy to screw on top of any flag stick. Made of specially formulated, soft polyurethane cylinder protects greens from flag swivel denting when dropped. Sold individually.

Elite Laser Reflector [No. 303-ELITE]

FLAGPOLE RESTORATION

An economical and easy way to re-new and protect splintered, cracked, faded, scratched, or dirty poles. Quickly applies with heat gun and will last for years. Fits tournament and regulation poles.

Bayco Guard for Flag Poles
 250' Roll for 1/2" Pole [No. 3112]
 250' Roll for 3/4" Pole [No. 3134]

Full 360° visibility, no dead spots, made of highly reflective material with a large surface area. Made for both 1/2" and 3/4" poles. Sold individually or in sets of 9.

Bayco Laser Reflectors
 1/2" Opening [No. 3012]
 Set of 9 [No. 3012-9]
 1/4" Opening [No. 3034]
 Set of 9 [No. 3034-9]

Make your own laser reflectors! Easy to install on your existing flag poles by heat shrinking the plastic provided on top of the reflector. It fits any pole of 1" or less in diameter. Sold only in sets of 9.

DIY Laser Reflector [No. 3000-9]

An easy to install ball lifter. Reduces bending and golfer-pole interaction. No need to remove the ferrule upon installation. 360° ball entrance with no interference. Fits regulation (1/2") and tournament (3/4") poles. All necessary hardware included.

Mully Cup Lifter [No. 319-01]

FLAGPOLE HOLDERS

Kit includes a holder, a Canadian or American 14x20" Regulation flag; an acorn nut and top bushing; and a 3' white regulation pole. No ferrule required. Flag pole holder mounts directly to your choice of surface (wall, ground or other).

Flag Pole Holder Kit - American [No. 345AMER]

Flag Pole Holder Kit - Canadian [No. 345CAN]

Flag pole holder mounts directly to your choice of surface. Holds 1/2" poles only.

Flag Pole Holder Only [No. 345]

Our Universal Flag Holder allows you to attach a flag to virtually any cart. It features a 2' white pole and either a 6x8" (DS) or 14x20" (SS) handicap flag.

Universal Flag Holder with Flag
 6x8" Handicap Flag [No. 346HDCP-1]
 14x20" Handicap Flag [No. 346HDCP-2]
 6X8" Canadian Flag [No. 346CAN]
 6X8" American Flag [346AMER]

Other flags can be attached, as well.

Would you like a different pole or flag? Purchase the holder only and/or the rod only separately. Please contact us for more information.

1. Rod Only [No. 346ROD]
2. Universal Holder Only [No. 346]

ANY COLOR COMBINATION

If you can think it, we can print it! We can help you choose the colors that compliment your logo best, or if you already have a color in mind and/or know the color code (HEX, RGB, CYMK) we can match it. We can even change the colors of your logo!*

ANY LAYOUT

Whether you need a border or not, numbers or text, or simply your logo** on the flags - we can do it! If you have a custom graphic that you want displayed on your flag, or you'd like to show off your sponsors - we are here for you! If you have a new feature and would like to advertise or you want to honor someone special - it's all possible with Bayco Custom Golf Flags!

UNLIMITED CHOICE - ONE PRICE

We offer several different sizes of custom golf flags, of which 14"x20" and 6"x8" are most common. We also provide three different shapes - rectangle, burgee, and pennant. You can order them double sided (DS) or single sided (SS). Our prices for each flag type/size are the same no matter what colors or layout you choose. There are no set up fees for proofs and you can make changes until you are satisfied with the result! Don't be afraid to get creative, **your only limit is your imagination!**

*Logos must be high resolution and be either a PDF or a vector file (.ai or .eps)

** Any graphics or logos must be obtained legally and have all the required permissions to be used in your custom flag design. Bayco Golf is not responsible for any lawsuit related to the distribution of illegally obtained content.

CALL 1 (877) 668-4653 OR YOUR NEAREST BAYCO DISTRIBUTOR TO ORDER YOURS TODAY.

Possibilities are endless!

“SIMPLY - THE FINEST QUALITY CUSTOM GOLF COURSE FLAGS

Frequently Asked Questions:

WHAT IS DYE SUBLIMATION PRINTING?

Dye Sublimation is a printing process which reproduces graphics and images into various flexible and rigid substrates – in our case, fabric. Using a combination of high heat and pressure, solid dyes are absorbed directly into the fabric, creating many advantages over traditional screen-printed graphics.

HOW ARE OUR FLAGS MADE?

Once a design is approved, the graphic files are fitted onto a template using Illustrator. Those files are printed and then sublimated into the fabric. The fabric portion with dye is cut out and passed on to our sewing and finishing department. After finishing, the products are cleaned, checked and are packaged for shipping.

WHAT FORMAT SHOULD YOUR ARTWORK BE IN?

Please ensure that your artwork files are of good quality, preferably vector (.ai or .eps). Raster images, such as JPEG and PNG can be submitted but extra charges may apply should we need to re-draw them in a vector format. If you are unsure of what files you currently have, please contact us and we can assess them for you.

HOW LONG DOES IT TAKE FOR FLAGS TO BE COMPLETED?

Once we send you the proofs and they are approved by you, it typically takes 2-3 weeks for them to be printed (on a first come, first serve basis). Shipping (depending on location) can take additional 3-7 business days in North America. Please contact us for a more accurate timeline for your specific project.

WHAT FABRIC CHOICES DO YOU OFFER?

- **Poplin Flags** - Our poplin flags are great for heavy graphics and double sided flags because it uses an optional blocker to prevent see-through from front to back. **Note:** It is the heaviest option especially if the blocker is added. This fabric needs wind to move.
- **Dura Flags** - Very stable fabric that is porous and allows wind to move through it. It has 95% transparency which makes it perfect for single sided flags.
- **Poly Silk Flutter** - This fabric is recommended for events as it flutters even in low breeze settings. It has 98% transparency and is very lightweight, perfect for single sided flags.

HOW IS VECTOR DIFFERENT THAN RASTER?

Simply put, raster images are created by pixels and their quality depends on the DPI (dots per inch) or PPI (pixels per inch). The lower the DPI, the more "pixelated" it looks. Raster image files include .jpeg, .png, and .tiff formats.

Vector images are made up of paths with mathematical formulas telling the path what color or shape it needs to be. Thus, vector images retain their appearance regardless of size and can be scaled infinitely. Although vector files are rarely used for photographs or paintings, they are perfect for designs such as logos and illustrations. Vector files include .ai, .eps, and .dwg formats.

RAKE HEADS

Our rake heads are made of durable, lightweight plastic that is easy to use and carry. They spread sand evenly, leaving a consistent playing surface with minimal difference in grooves.

COURSE SIGNAGE

Our premium bronze and aluminum signage help identify each hole while bringing elegance to the course and adding to the golfer's experience.

STEP 1: Choose your shape
We offer 10 classic shapes for your sign.

CAST IN MOLD BRONZE AND ALUMINUM CUSTOM SIGNAGE

STEP 2: Choose your style
We offer three different styles to showcase information about your course.

All you need to provide us with is your course logo and hole information!

Note: If you choose Imperial, we would require artwork for the course holes, also.

SIGNATURE

- Course Logo
- Hole Number
- Par Number

CLASSIC

- Course Logo
- Hole Number
- Par Number
- Tee Box Yardages
- Colored Dots (optional)

IMPERIAL

- Course Logo
- Hole Number
- Par Number
- Tee Box Yardages
- Colored Dots (optional)
- Hand-Painted Hole Map

STEP 3: Choose your size
Use the size chart to the right for the best size for the desired style.

SIZE	SIGNATURE	CLASSIC	IMPERIAL
10"x16"	✓		
12"x14"	✓		
12"x18"	✓	✓

*Other sizes available.

SIZES*

- 15"x19"
- 18"x24"
- 24"x30"

STEP 3: Choose the color combination.

STEP 4: Select your logo style.

The **inset method**, your design is reverse printed onto a protective shield, then embedded into the sign and sealed with clear resin.

The **engraved method** allows for the design to be 'sunk' into the base. Your design is precisely engraved into the sign base, leaving it blank. You may choose to have it filled with our special resin.

In-ground yardage markers properly mark the course which speeds up the pace of play. They come complete with two spikes to keep them in place. Available in bronze or aluminum.

CAST IN MOLD BRONZE AND ALUMINUM GROUND TEE MARKERS

Display your brands/logos or sponsors across the facility. These signs leave a long lasting impression. All you need to provide us with is the artwork of your chosen logo/sponsor and we will do the rest.

Page 52

SOIL SAMPLERS	50
AERATORS	51
SPRINKLER HEAD TRIMMERS	52
LANDSCAPERS AND SQUEEGEES	52
OTHER MAINTENANCE TOOLS	53

SOIL SAMPLERS

Soil samplers allow core samples to be taken for evaluation of soil composition and root growth or for subsequent soil analysis. It also helps determine the need for aeration and to select the proper fertilizer for root development.

- 1. 8" Soil Sampler [No. 235-8]**
One piece rugged stainless steel pipe.
- 2. 20" Soil Sampler [No. 235]**
One piece rugged stainless steel pipe.

28" Greens Soil Sampler [No. 237]
Less intrusive, one piece rugged stainless steel pipe. Complete with a rubber handle for added comfort.

Greens Section Soil Sampler [No. 238]
This spade-like greens section soil sampler is tapered to give a clean cut and minimize surface disruption. The blade is then easily removed to examine the profile of the sample.

AERATORS

Made of heavy duty steel, these aerators are easy to use on those small and hard to reach spots on the greens that need immediate attention.

Three-Pronged Aerifier [No. 236]

Five-Pronged Aerifier [No. 239]

Fits our aerifiers. Sold in sets of three. Complete with holding pins.

Replacement Steel Tines [No. 236-1]

Why aeration is important?

Aeration is an essential practice that improves the long-term health and playability of golf courses. By using hollow tines to extract plugs, you can:

- Ensure longevity of your course
- Alleviate compaction
- Remove layering

Long lasting benefits of aeration:

The following benefits can be observed when aeration is done seasonally and correctly:

- Improves Water Infiltration
- Oxygenates The Soil
- Removes Thatch
- Encourages Root Growth
- Stimulates Microbial Activity
- Promotes Recovery From Stress

SPRINKLER HEAD TRIMMERS

Sprinkler heads can easily become lost on the course and lead to negative impacts on the functionality of the irrigation system. These trimmers are easy to use and leave a clean edge around the sprinklers.

LANDSCAPERS AND SQUEEGEES

This aluminum landscape rake is used for ground raking, smoothing, leveling, spreading, seeding & leaf clean-up. The heavy duty brace is all one piece and is riveted to the rake head.

Aluminum Landscaper

Head Length	Stock Code
24"	114AL
36"	115AL
48"	116AL

A squeegee roller made of industrial grade stainless steel axle and efficient non-absorbent rubber roller; effectively rolls collected water. Replacement heads available while quantities last.

Non-Absorbent Roller Squeegee

Head Length	Stock Code
24"	130-24
36"	130-36
48"	130-48

OTHER MAINTENANCE TOOLS

Light, heavy duty aluminum plug pusher will make cleaning up the golf course easy. It efficiently pushes plugs or moves and levels sand and loose material.

Aluminum Plug Pusher [No. 131]

Durable, dense polyethylene tank, easy to fill 4.25" opening, 28" wand, and chemically resistant seal. Capable of performing every spraying task.

SOLO Back Pack Sprayer [No. 190]

Aluminum shaft with stainless steel grabbers that open to a 4.5" width. Capable of lifting up to 6 lb and sensitive enough to pick up a dime.

E-Z Reacher

- 32" Handle [No. EZR3200]
- 40" Handle [No. EZR4000]
- 72" Handle [No. EZR7200]

Customizable Solid Tee Marker [No. 813]

ABOUT BAYCO

Our Name Stands for *Quality*

Bayco Golf started out unlike the typical business. The founder, Alex Colonelo, came from a mechanical toolmaker background. He started working at a company called Bay Bronze Industries which manufactured fuel fittings and plumbing parts as well as bronze signs and plaques. His passion for golf and his experience in manufacturing inspired him to start a golf course accessories division within Bay Bronze in 1986 (renamed to Colon Industries at this time). In 1998, he bought off the golf division and named the company Bayco Golf Inc where he became a president. He retired in 2006 when OSC Seeds purchased Bayco Golf and a new general manager, Cal Surgenor, was appointed. Cal has guided the continuing growing process of Bayco for over 15 years.

Bayco Golf has always strives to bring the best quality of products to the golf course accessory market. With our knowledgeable team and many years of experience, you can remove all uncertainty with anything related to your course. We build meaningful relationships with clients that last a lifetime. We pride ourselves that almost all of our products are manufactured locally in North America. We are a forward thinking, market improving company that has set the bar for numerous products, including Dye Sublimated Custom Flags, Pro Hole Cups with Liner and Locking Ferrule, ColorFlex Distance Markers, the Mully Cup Lifter, our newly designed InstaFix Ball Mark Repair Tool, and so much more.

The little train that could – did. We are one of the top manufacturers/suppliers in the world. We ship internationally in over 50 countries and our products are found on the most prestigious golf courses in the world. We design custom flags, markers, cup liners, plaques, signs and more! Our customers vary from a private individual who wants to build a small putting green in their back yard, to 36-hole resort golf courses around the world.

If you are looking for a reliable and knowledgeable staff to help you with your golf course accessory needs, look no further! Call us today and we would be happy to help you!

Get on course with **BAYCO!**

Meet the Managers!

Cal Surgenor (Left), Shelley Drul (Middle), and Andrew Hunt (Right)

Cal Surgenor is the General Manager at Bayco Golf. He took over in 2006 after OSC Seeds purchased the company from Alex Colonelo. He has a background in sales and is passionate about golf which made him the perfect candidate. Cal is very personable and loves to help out fellow golfers with anything golf related.

csurgenor@baycogolf.com

Shelley Drul is the Customer Service Manager at Bayco Golf. She deals with most customer affairs and specializes in the customizable products, like flags, signs, decals, and more. She has been with the company since 2004 and has made deep connections with all of our customers and distributors. She is friendly, easy going, and resourceful, ready to help with any purchase or inquiry.

shelleydrul@baycogolf.com

Andrew Hunt is the Operations Manager at Bayco Golf. He manages overall operations and is responsible for the effective and successful management of labor and productivity. He is a golfer himself and has experience both as a golf player and an employee at a golf course. He knows the ins and outs of the golf business and products and has Golf Pro experience. In short, he lives and breathes golf.

RETURN POLICY

Bayco Golf strives for complete customer satisfaction at all times, however, in the unlikely event you are not completely happy with your purchase you may request a refund. All refund requests must be made within 7 days of delivery date. Please include your invoice number and name when contacting us. All items must be in a new/unused condition, in original packaging, and with all paperwork, parts, and accessories. Once the merchandise has been received and passed a satisfactory inspection, a refund will be issued onto the original method of payment and in the original currency (less the outbound and inbound shipping fees, where applicable). All returned items are subject to a \$10 restocking fee.

Exchange of items is only accepted if the item is damaged or has manufacturer's defects (proof upon request is needed). In this case, Bayco Golf will cover the shipping costs. If the item cannot be repaired, we will replace the item and send it back to the Customer at our own expense.

Exception to items include:

- Clearance Items – these are discontinued items that we wish to sell out of. We regret to say that items purchased as "Clearance" are not eligible for returns or exchanges.
- Custom Items – Custom items cannot be resold and therefore we cannot accept returns on them. Please note that it is the **Customer's responsibility** to ensure clarity in communication and to approve provided proofs for custom work. However, if a mistake is made on our end, Bayco Golf will re-do and replace the merchandise at no expense to the customer.
- Any other item that cannot be re-sold, that includes but is

not limited to items in used condition that do not qualify for our warranty or items reduced due to damage or defect and marked as final sale.

We reserve the right to warn, limit or decline returns or exchanges regardless if the item answers to all the conditions mentioned above. Notwithstanding, we may change or modify the agreement in part or completely without notice and we will not be held responsible for any loss or damage suffered as a result of such changes.

WARRANTY

Bayco Golf warrants products to be free from defects in materials and workmanship under correct use and proper applications for a period of six (6) months or one golf season from the original date of purchase. Warranty requests must be made immediately upon finding a defect and proof must be provided. The suitability whether the merchandise satisfies the conditions of the warranty are determined entirely by Bayco Golf. After passing a satisfactory inspection and concluding that the damage falls under the warranty, Bayco Golf's obligations are limited to the repair or exchange of the item at no cost to the client. Should the merchandise not satisfy the conditions of the warranty, Bayco Golf reserves the right to refuse or otherwise limit the return/repair/exchange of the item. **The warranty does not cover damages due to negligence, improper use or maintenance, weather conditions, theft, or natural disasters.**
